19/11/2023 14:23	Robert Graves	Meeting Adjourned				
	DAV Chapter 5 Relevant Program Updates					
	Website					
	DAV Chapter 5 has committed to hosting their own website. The current webhost we use is SiteGround. With this platform we are able to create host and protect other websites. General Membership has voted for consideration of providing websites to Veteran Non-Profits for $20 a month. Currently, terms are being created that keep the bandwidth of the chapter in mind. Currently the terms to website hosting is our chapter will provide 2 edits a month on the events page and 1 edit a month to an existing page. There may be a service charge to any additional page creation and maintenance request. Our main focus is to assist Veteran Organizations with a platform to list thier upcomming and previous events.					
	High 5 Zone					

	DAV Chapter 5 places Youth Safety as a pillar of focus in Southern California. The Chapter has elected to provide services that facilitate a zone for youth safety at veteran-centric Resource Fairs and Job Fairs. In the successful facilitation of 2 events, the High 5 Zone is going through infastructure changes. The High 5 Committee is currently working to establish a schedule of dates that are highest impact. These dates appear to match our Veteran Engagements weeks in May and November. These are the times when school is out of session and events will draw more participants from stay at home parents and grandparents.
